

Fake Happy

Paramore

I love making you believe
What you get is what you see
But I'm so fake happy
I feel so fake happy
And I bet everybody here
Is just as insincere
We're all so fake happy
And I know fake happy I've been doing a good job
Of making them think
I'm quite alright
But I hope I don't blink
You see, it's easy when I'm stomping on a beat
But no one see me when I crawl back underneath
If I smile with my teeth
Bet you believe me
If I smile with my teeth
I think I believe me Oh please, don't ask me how I've been
Don't make me play pretend
Oh no, oh, what's the use?
Oh please, I bet everybody here is fake happy too And if I go out tonight
Dress up my fears
You think I'll look alright with these
Mascara tears?
See, I'm gonna draw my lipstick wider than my mouth
And if the lights are low they'll never see me frown If I smile with my teeth
Bet you believe me
If I smile with my teeth
I think I believe me
Oh please, don't ask me how I've been
Don't make me play pretend
Oh no, oh oh, what's the use?
Oh please, I bet everybody here is fake happy too I know I said that I was doing good and that I'm happy now
Oh oh
I should've known that when things are going good that's when I get knocked down Oh please, just don't ask me
how I've been
Don't make me play pretend
Oh no, oh, what's the use?
Oh please, I bet everybody here is fake happy too
Oh please, I bet everybody here is fake happy too
