Free Kitten

Dover

I've lost my kitten in the kitchen
Now I'm trying to find my inner lost
Trying to find the spririt was crazy
But the kitty was ready to goFree!
Would you stop it and set me free
Could you tell her to let me be
I believe in the rights for kittens
I believe in the freedom of speechI headed to the trashbin
I knew I would find it
But the smell of my bad dreams
Came up instead
Kitty I'm sorry that I hurt your feelings
But you don't really need to escapeWhen I'm all alone in cold December
Baby I hope you remember
Is it that you want me to surrender
Baby I just need you backFree!
Would you stop it and set me free
Could you tell her to let me be
I believe in the right for kittens
I believe in the freedom of speechForgot to look in the elevator
And I swear that I saw ice in her eyes
Kitty I'm sorry that I hurt your felings
I know I was wrong
You were rightPlease stop it and set me free!
