

# U Didn't Care

## Canibus

[Chorus] You.. didn't, care about me  
And now this is how it has to be  
I was lost, but now I am free  
I'm happy 'cause I found a family  
[Verse 1] Whattup Em', it's ya biggest fan  
It's not even necessary to introduce who I am  
by now, 'cause we're good friends  
Remember the letter I wrote, before Atlanta on Up In Smoke  
That's the day I was gonna cut ya throat  
I guess my watch was broke -- 'cause by the time I woke  
I seen my watch was twelve hours late and I missed the show  
But none the less I'm glad that I finally reached you  
Ever since the accident I've been dying to speak to you  
To tell you things have changed, and I'm a different man  
A different level of understanding, I'm a different Stan  
Things are a lot better, I promise I won't harrass you with any letters  
Saying shit like "We should be together"  
I may reach and start a group  
The industry's full of homosexuals Slim, but I don't wanna fuck you  
I got a new attitude, really, I ain't mad at you  
I just wanted you to recognize I got talent too  
[Chorus][Verse 2] When I say talented, I don't mean battle kid  
I mean storytellin, kinda like how ya album is  
I been attendin counselin and takin medicine  
They did some tests on me at NIH in Maryland  
They showed me techniques to help me pressure  
whenever I remember that crazy night when I was being reckless  
Drivin with a deathwish, on the bridge and I crashed into a Lexus  
Right before I finished that last sentence  
I was listenin to Xzibit's album "Restless"  
The next thing I knew I was under water and breathless  
I was unconscious for a second, literally dying to go to heaven  
till some fellas came and pulled me from the wreckage  
They started CPR, then they called the paramedics  
In retrospect I probably shoulda used a gun to end it  
By the time the car sunk  
My pregnant girlfriend was still in the trunk  
and I was still feelin kinda drunk

The ambulance came and they put me on the stretcher  
Hooked me up to the IV and checked my blood pressure  
One of them was so concerned that they wouldn't leave  
He hopped in the back of the ambulance and rolled up some weed  
My vision was blurry, I couldn't really see  
I just remember his voice talking to me  
In the emergency room, I needed surgery to get some glass removed  
and fifty stitches for my wooze  
[Chorus][Verse 3]After a couple months of therapy,  
I figured I was as ready as I'd ever be - I wanted to be an emcee  
He took me to shows wit him, he let me flow wit him  
He let me write some rhymes and go on tour wit him  
I really believed in him, I decided to team wit him  
And now I'm overseas wit him, gettin cheese wit him  
And I'm emceein wit him, I'm havin the best time of my life  
And I'm writin the best rhymes of my life  
He introduces me to people as his lyrical equal  
Let me write a rhyme on his album and even produce a beat too  
He ain't see-through, I can't see him frontin  
He's not the type to call you, just because he needs somethin  
That's what I like about him,  
I wouldn't want to rock a mic without him  
He's got kahunas and he's not a coward  
Matta fact, I think he met you  
It was the day you came to his video shoot with DJ, Jimmy's nephew  
'Clef stepped to him and told him he should step to you  
That you was ghost writin for L, but that wasn't true  
You was lookin at him the same way I'm lookin at you  
Why can't we be friends Em', I don't want nothin from you  
You see there's a little bit of Stan in all of us  
Tell me where you think all of these record sales sparred from  
Talkin 'bout Britney and Christina Aguilera  
Nsync too, have you ever looked in a mirror?  
Your hair ain't really blonde, and ya eyes ain't blue  
So never diss me, 'cause when you diss me your dissin you..  
See.. See what happens when you don't care  
[Chorus]
