Don't Go

Josh Kumra

"Don't Go" by Josh KumraDon't go...
I don't know where you come from,
but you're everywhere I go
I don't know why you chose me,
but as long as you're here I don't need to know
If it weren't for you
how could I confess
all the things I don't know how else to express.
Starting in my chest,
come flying out my mouth,
you are my freedom when ever I need some.
So don't go,
don't leave,
please stay with me.
Cause you are the only thing I need to get by, to get by
Precious like family.
Know me like a friend.
Test me like a teacher, straight out of the ether
And into my blood,
I feel you in my veins
And it feels good, every time it rains
When the sun is shining,
every time I cry
every time I laugh, and never question why
All I know is I...I
Need you in my life
So don't go
don't leave
please stay with me,
Cause you are the only thing I need to get by to get by
No don't leave me now
don't go leave me
No don't leave me now
don't go leave me
So don't go,
don't leave,
please stay with me
Cause you are the only thing I need to get by, to get by, to get by...
