

# Mayday

## Wild Rivers

Start by saying, I'm a couple years too late  
Not the reunion I was planning on  
And I just came to give my regards and keep my faith  
Echo your words that I've been hanging on Oh oh oh  
I been setting fire to my bed sheets  
Oh oh oh  
Don't you twist your tounge just to protect me  
Just scream mayday were going down Now I must say you've had my mind in quite the wreck  
But I deceived you with false virtue  
Now I'm sitting like a gambler in his debt  
Counting all the ways that I would hurt you Oh oh oh  
I've been setting fire to my bed sheets  
Oh oh oh  
Don't you twist your tounge just to protect me  
Just scream mayday were going down
