What Can I Say

Loretta Lynch

I tried to be all that you need
tried not ever let you down
still I can see it in your eyes
Not good enough
This time I believed that I really could change
I gave it all
This time you really had my everything
I guess I was wrong
I guess I was wrong
What can I say, What can I do
This is who I am and I am hurting you
What can I say, what can I do
No matter how strong my feelings are
I always end up hurting you
I always end up hurting you
I'm hurting you
I tried hard only to be him
You've always wanted in life
Still I just bring you misery
What can I do
This time I believed in you, in me
When I gave it all
This time I could see it all perfectly,

I guess I was wrong
I guess I was wrong
What can I say, what can I do
This is who I am and I am hurting you
What can I say, what can I do
No matter how strong my feelings are
I always end up hurting you
I always end up hurting you
Without you I keep crying
With you I am just hurting you
Without you I am dying
With you I am tearing your heart
Without you I am crying
Without you I am dying
What can I say, What can I do

This is who I am and I'm hurting you
What can I say, what can I do
No matter how strong my feelings are
I always end up hurting you
I always end up hurting you
I always end up hurting you
I'm hurting you
