

Satellites

The October Game

Satellites flashing by
It's a beautiful state we're in
But how can we love in isolation?
Think how happy we can be when we just try
 When nothing like we seem
 Passionate words are never spoken
 You don't know how I bleed
 When I leave your side
 In your eyes, love's alive
 You've come untied
 'Cause we're flashing by
 Like satellites, satellites
 Take all the rules away
How can we live if we don't change?
 We're always on display
 Let's run and hide
 In our eyes, love's alive
 We've come untied
 'Cause we're flashing by
 Like satellites, satellites
 If we don't communicate
 We'll exist in our own space
 We have all the love we need
While we're apart I cannot breathe
 Satellites flashing by
 Satellites
