

# Bird Song

[Lene Lovich](#)

A little bird told me, you were untrue...  
Even though, I had, faith in you  
I believe, the liars words  
Oh the same, little bird

So with the bird, one day, you flew away  
I woke up, to late, you had gone  
Fading on....with this song  
Of the hurting little bird  
Oh Oh Oh Oh

[Chorus]  
Still I watch the sky  
Still I wonder why  
Still I hope that I  
Can carry on  
If I can't be strong  
If you hear my song  
You'll know that it was wrong, to say good bye..

Such a cold bird, so hard, captured your heart  
Does it matter, I am, falling apart  
Breaking fast, as the flesh  
Oh Oh Oh Oh  
Of the dead little bird

[Chorus: x2]  
  
Still I watch the sky  
Still I wonder why  
Still I hope that I  
Can carry on  
If I can't be strong  
If you hear my song  
You'll know that it was wrong, to say good bye
