

Here's That Rainy Day

Freddie Hubbard

Maybe I should have saved those left over dreams
Funny, but here's that rainy day
Here's that rainy day they told me about
And I laughed at the thought that it might turn out this way

Where is that worn out wish that I threw aside
After it brought my lover near
It's funny how love becomes a cold rainy day
Funny, that rainy day is here

Funny how love becomes a cold rainy day
Funny, that rainy day is here
