

Have a Little Faith in Me

Benny and Joon

When the road gets dark
And you can no longer see
Let my love throw a spark
And have a little faith in me
When the tears you cry
Are all you can believe
Just give these loving arms a try, baby
And have a little faith, faith in me
Have a little faith, faith in me
And when your secret heart
Cannot speak so easily
Come here baby
From a whisper start
To have a little faith in me
And when your back's against the wall
Just turn around and you, you will see
I will catch your, I will catch your fall
Just have a little faith, faith in me
Have a little faith, faith in me
Well, I've been loving you for such a long long time
Expecting nothing in return
Just for you to have a little faith in me
You see it's time, it's time is our friend
'Cause for us there is no end
And all you gotta do is have a little faith in me
I will hold you up, I will hold you up
And your love gives me strength
Enough to have a little faith in me
Oh, have, oh, darling have a little faith in me
Faith
