

Jam Karet (Time Is Elastic)

Vonda Shepard

I do not measure the space between
Moments of pleasure we'll someday see
If you need a reason let me know
If you need the answer you will know
If you say tomorrow you will go, you will go away
There is no limit
Jam Karet Jam Karet
Open every window
Jam Karet
There is no limit
Jam Karet Jam Karet
I do not measure the distance
Or instigate any resistance
If you need a reason let me know
If you need the answer you will know
If you say tomorrow you will go, you will go away
There is no limit
Jam Karet Jam Karet
Open every window
Jam Karet
(There is no such thing as time)
Stretching every minute
Jam Karet Jam Karet
There is no limit
Jam Karet Jam Karet
I'll light the fire within you
You can make mountains move too
Ooh with my truer friends
I do not notice when the clocks unwind
There is no limit
Jam Karet Jam Karet
Open every window
Jam Karet Jam Karet
(There is no such thing as time)
Stretching every minute
Jam Karet Jam Karet
As long as we are in it
Jam Karet Jam Karet
There is no limit
Jam Karet Jam Karet
Open every window
Jam Karet Jam Karet
(There is no such thing as time)
Stretching every minute
Jam Karet Jam Karet
As long as we are in it
Jam Karet Jam Karet
