

# Heart of a King

## Dr. Tumi

The king never said i am weak  
I'll never say I am poor  
And I'll never say that i am blind  
Because of what God has done

Our king never carried hatred  
They only walk in love  
And they don't know impossible  
Through Christ i can do all things

(Chorus)

Well last the strength of a king  
My strength and life is in God  
Spending time with the Father  
My heart is after him

My heart only beats love  
My thoughts is all about you  
Hear steps walking in victory  
That's the heart of a king

Our king says come oh child  
Come get all that you need  
I paid the price  
So you can find that's my heart right there you  
I'll take care of you in gentle  
My heart is set on you, oh  
You are my owe, and I'll be there to love on you  
That says the lord

(Chorus)

Well last the strength of a king  
My strength and life is in God  
Spending time with the Father  
My heart is after him

My heart only beats love  
My thought is all about you  
Hear steps walking in victory

Thatâ€™s the heart of a king

Iâ€™ll prosper you, give you victory  
Iâ€™ll cause you to reign and possess thee earth  
Never lack, never doubt and now  
To see you just as i am x2

My heart only beats love  
My thoughts is all about you  
Hear steps walking in victory  
Thatâ€™s the heart of a king

Walking in love  
Thatâ€™s the heart of a king

Walking in peace  
Thatâ€™s the heart of a king

Walking in joy  
Thatâ€™s the heart of a king
