

Crazy Praise

Monique Walker

Say oh oh oh oh
Say oh oh oh oh

Come on everybody
come on let's praise the Lord
Come on everybody
come on let's praise the Lord

You ought to just lose your mind
The Lord stepped in right on time
He always takes care of you
The Lord has brought you through

Everybody
give Him glory
He's so worthy
come on
give Him crazy praise

(choir repeat)
