

Sleep Till They Die

La Luz

Sleep till They Die

La Luz

Fortune lady, give it to me right

Tell me anything to change their minds

Cool cats, tellin' lies

I can't hold their gazes in mine Daylight

Open eyes

They'll sleep till they die I wake up in the mid of night

Toss and turn in the dim white light

Cool cats, tellin' lies

They don't care how they waste their time

Daylight

Open eyes

They'll sleep till they die
