

Go Do That (feat. Akeem Jahat & Joe Flizzow)

SonaOne

Who woulda thought I'd be the opposite of unknown?

20 something, still a youngin, call me Young Old

What I used to make in months, now in one show

Man I did it for the people, like UMNO

Still they hatin' on the low, That's what I'm told

Kenapa nak sampai lu bawa satu kampung

I stay connected too, from Paris out to Beijing

She wanna call me Mika?

Tell her call my agent

You can call me Kid Kenobi now, Eyes focused only on the Money now

SonaOne tied to your head like a ponytail

Siapa lapar? Aku ada lagu sedap

So fresh, tak payah nak sapu bedak

Who's real? You bet I am

On my Kid Kenobi ish It's just a Jedi thing

Don't you worry bout the bread I bring I'm just way too busy being the best, Cause I said I am, For real!

So don't do that here

Whole squad in this B

Whole crew back here XXII, two-two's back here You wanna flex around us?

Go Do That There, GO!

GO!

GO!

GO DO THAT HERE!

GO!

GO!

GO DO THAT THERE!

GO!

GO!

GO DO THAT HERE!

GO!

GO!

GO DO THAT THERE!

A ta tha, budak kata lawan baik

Woodlands, pulau Singa batu muntah air

Nama cukup buat rappers korang cuak

Malaysia Top 5 walau gua orang luar

Im dat one macam nama gua Obi
Awek-awek korang gua sapu macam roti
Macam adek Thor, gua buat cara Lowkey
Bukan Ahmad Daud tapi lebih kurang OG
A-K empat puluh tujuh
Double X dua meriam buluh
Bawak nama baba sampai Kuala Lumpur
Semua lagu laku macam suara pakai susuk
Gua da cakap gua budak jahat
Budak jahat budak budak jahat
Gua da cakap gua budak jahat
Lepas gua cakap baru lu nak jahat

So, don't do that here Whole squad in this B, whole crew back here XXII, two-two's back here You wanna flex
around us?

Go Do That There, GO!
GO!
GO!
GO DO THAT HERE!
GO!
GO!
GO DO THAT THERE!
GO!
GO!
GO DO THAT HERE!
GO!
GO!
GO DO THAT THERE!

Twenty-five hundred on a jacket
All a sudden all I wanna do is stack it
Talkin how I live, ain't gotta act it
Real talk, I ain't braggin
This just kinda happened
It ain't my fault
She wants my kids in her belly
Most of you ninjas is jelly You know
You got my songs in your celly
You see my face on the telly
You can't get rid of me really You know? (What you gon do?)
Styleku seratus, styleku seribu, styleku sejuta.
Style lu merapu, style lu meniru, Fila Da Puta.
Lihat panorama dari dalam Panamera, Bagi Napchon A dekat semua budak yang mata merah.
Kilauan buah tujuh buat semua lari selarak.

Cover bonggol di pinggang Jangan sampai hoodie terselak.
Cos malam ini kita chill Ma.
Diaorang pakai Been Trill Tapi semua takde skill Brah.
I've been ill, been real, seen that mill Ma.
Ringside, ingat gua Frank White - Chinchilla.
Masih chill masih cincai la.
Masih makan pakai tangan Roti canai gua cicah kuah.
Nasi bungkus surat khabar.
Cuma kadang-kadang gambar Gua keluar itu surat khabar.
Confirm ah.
