She's so Untouchable

Johnny Thunders

Can't close my eyes
When she's around
My heart stops and goes again
I'm lost and then I'm foundIt's getting so hot in here
I gotta let you know
Because you make me crazy
If I only let you die nowShe's so untouchable
She makes me uncontrollable
If only she'd know how
How I really felt
Maybe things would work out
Maybe I would find outBut maybe my head's in the clouds
And I don't even know
Because she is so pretty
She knocks the boys out because nowShe's so untouchable
But I touch her
She's so untouchableBut what can I say
It's getting a long day
Some girls may walk on by
But I don't think of hug anyway
Some boys may beg like a dog
Some girls beg, beg, beg, too
But what can I say but
Bon voyage, baby, because now
