

# California

## Nowherebound

California

She shone like sun on the ocean blue,  
She danced like light upon the waves.  
Dreamed a life under neon lights.  
Drove through the night in pourinâ€™ rain.  
Singinâ€™, hey California, I gotta warn ya.  
Take your best shot cause Iâ€™m firinâ€™ right back.  
Yeah Iâ€™m out chasinâ€™ daydreams and, tastinâ€™ moonbeams.  
Yeah, smilinâ€™ big ridinâ€™ the downtown city train.  
Singinâ€™ tra la la la  
Sheâ€™s singinâ€™ tra la la la  
Let the chips fall where they may,  
Gonna smile all fuckinâ€™ day.  
Singinâ€™ tra la la la. And then sheâ€™s gone.

She pranced her way into Hollywood.  
She gazed at stars draped in sweet moonlight.  
Dreamed awake and sang her self to sleep.  
Basked in spoils of chasinâ€™ good life.  
Singinâ€™, hey California, I am upon ya.  
Iâ€™ll take your best, then Iâ€™m must be travelinâ€™ on.  
Cause Iâ€™m out, chasinâ€™ daydreams and, tastinâ€™ moonbeams.  
Yeah, smilinâ€™ big watchinâ€™ the world beneath my feet.  
Singinâ€™ tra la la la  
Sheâ€™s singinâ€™ tra la la la  
Let the chips fall where they may.  
Gonna smile all fuckinâ€™ day.  
Singinâ€™ tra la la la. And then sheâ€™s gone.

She said her goodbyes to Hollywood.  
Rolled outta town before the sun went down.  
Drove the night to find this blue eyed boy,  
Shedding tears knowing sheâ€™s homeward bound.  
Hey California, Itâ€™s good to see ya.  
Take my hand, weâ€™ll start this whole thing up again,  
Weâ€™ll go, chasinâ€™ daydreams and, tastinâ€™ moonbeams.  
Hand in hand well watch the world just pass us by.  
Singinâ€™ tra la la la

Weâ€™re singinâ€™ tra la la la  
Let the chips fall where they may.  
Weâ€™re gonna smile all fuckinâ€™ day.  
Singinâ€™ tra la la la.
