Rock & Roll Machine

Triumph

Tonight's the night
Everybody's at the show
The girls and boys come to
Hear the rocket blowYou can't stop when the rocket's playin'
Everybody jump and shout
Let's rock and reel it anyway you feel it
That's what this is all aboutRock 'n' roll machine
Faster than you ever seen
Rock 'n' roll machine
All those eyes just lookin' at youOoh baby, you're crazy
If you try to steal the show
Get set, get ready
Time to watch the Rocket goRock 'n' roll machine plays faster
Easy as ringin' a bell
A fireball steamer, heavy metal screamer
Playin' licks hotter than hellRock 'n' roll machine
Faster than you ever seen
Rock 'n' roll machine
All those eyes just lookin' at you
