

# Reconsider (Exempt//Henry Green Rework)

## The xx

Remember me, I'm the one that's back from over  
Time's gone by and I'm still so far from over  
You reappeared like you had never been gone  
I lose composure  
You're touching me like you have no desire for closure  
Reconsider Did you lie awake like I did  
I stayed up 'til the stars didn't recognize me  
So long  
I waited so long  
Now you don't see the skies that I do  
My sun becomes your moon  
For a familiar love  
I am familiar love
