Heart

Celeste Buckingham

Is there somebody out there that makes me feel as cold we use to go running in circles where you would tell me to go and were you ever sorry that you made me feel as blue and i know you dint care you just left me there aloe you said the girls they are calling calling out your name baby its not your fault though you're not not the one to blame did you think i was waiting waiting just for you baby i got i got better things to do just tell me baby t tell me how to get close to your heart tell me how to get close to your heart tell me how to get close tell me now now yeahx2 you just keep on complaining that were taking this to slow huny don't get me wrong but i just want to let things go yeah when you felt that you had me no you had nothing at all well catch your smoke in your hands you where bound to fall chorus oh baby if i had done this differently then maybe you would talk to me and open up oh every step that i have taken yeah you pulled me even further down hoping that i wont stop now stop talking baby choursx2 just tell me sail me tell me now sell me tell me just tell me now tell me how to get close to your heart tell me now
