Underwhelmed

I?ll be there when there?s nothing left
Night and day holding you
Harmony deep inside your soul
Meet me there
Can you feel me?
Deep inside
There?s no time to deny that I?ll need you
And I?ll be there to inhale your delightful day
There?s no time to deny, I will need you
That?s why I?ll be there to relieve your painful day
Hiding well where the pain is real
Night and day growing in you
Anger is poison in your veins
Meet me there

Can you feel me?
Deep inside
There?s no time to deny that I?ll need you
And I?ll be there to inhale your delightful day
There?s no time to deny, I will need you
That?s why I?ll be there to relieve your painful day
Deep inside
There?s no time to deny that I?ll need you
And I?ll be there to inhale your delightful day
There?s no time to deny, I will need you
That?s why I?ll be there to relieve your painful day
