On My Own

Caveman

All that forewarned means, make time for you to see.
I see you lookin through me, so I won't fight what I believe.
Make time for you to see, hold onto your beliefs.
Love me like I know you can, so I won't fight my enemies
I'm on my own, tryin.
Holdin the fort line.
Lost forever, looking outward means back.
Making it home in time, lost forever
Make time for you and me, hold onto memories.
Love me like I know you can, so I won't fight my enemy.
Love me like I know you can, so I won't fight my enemy
