

# I Don't Want to Talk About It

## Crazy Horse

I can tell by your eyes that you've probably been crying forever.

And the stars in the sky don't mean nothing to you, they're a mirror. An' I don't wanna talk about it, how you  
broke my heart.

If I stay here just a little bit longer,

If I stay here won't you listen... to my heart, whoa whoa heart If I stand all alone, will the shadow hide the colour  
of my heart, blue for the tears, black for the nights we're apart?

And the stars don't mean nothing to you, they're a mirror. An' I don't wanna talk about it, how you broke my  
heart.

If I stay here just a little bit longer,

If I stay here won't you listen... to my heart, whoa whoa heart,  
My heart, whoa whoa heart....
