Worse Than Cigarettes

Samantha Ronson

Just about too much size
Might have too much fun
Just about every drug
It's a form of medication
Thing about chocolate is
Too much can make you sick
Shame about being blue
When I don't get enough I'm screwedI want to stop and then still
I won't give up and then still
I find it's not enough and then still
This addiction is too much
I should know because
I'm still hoping
I haven't put it down just yet
I'm still choking
Lift me up
Have to be near you
Is worse then cigarettes for meTruth about telling lies
Might get hurt sometimes
Truth about vodka is
It's all good in moderation
The truth about New York is
There's no where else to live
Shame about a New York kiss
They always end like thisI want to stop and then still
I won't give up and then still
I find it's not enough and then still
This addiction is too much
I should know because
I'm still hoping
I haven't put it down just yet
I'm still choking
Kiss me now
Have to be near you
Is worse then cigarettes for me
I'm still hoping
I haven't put it down just yet
I'm still choking
Kiss me now

Have to be near you
Is worse then cigarettes for meI want to stop and then still
I want give up and then still
I find it's not enough and then still
This addiction is too much
I should know becauseHave to be near you
Is worse then cigarettes for me
Have to be near you
Is worse then cigarettes for me
