My Life (Golden Pony Remix)

Little Daylight

I don't want to play the part
The weight of what
Is in my heart
We'll decide
It's my lifeI was told I was up in the clouds
Now I know that I never want to come down
No, I'm never gonna come down
I can fly if I want toStill awake in the dead of the night
Looking at the cars in the driveways
Yeah they all face the same wayWe don't need your destiny
To take us where we're meant to be
It's our timeAnd I don't want to play the part
The weight of what
Is in my heart
We'll decide
It's my life
It's my life
It's my lifeAll this time they were pulling us down
And they thought we were never gonna let go
But if we were never gonna let go
Then we can never go forwardKnew the words and I said them all loud
Fire waits for the questions in the back of the classroomWe don't need your destiny
To take us where we're meant to be
It's our timeAnd I don't want to play the part
The weight of what
Is in my heart
We'll decide
It's my life
It's my life
It's my life
