

Don't Stop

Gin Wigmore

Twinkle toes, I think I found a soul
To make me happily ever after
Twinkle toes, I'm glad you shot your bow
Into the arms of my savior
Can I say that I'm somebody's world?
How do I live alone with nowhere to go? No
I say I love you and I'll say it more
My one and only I can't lose so
Don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do
I will be your something old, new, borrowed, blue
Don't stop doing what you do
'Cause that makes you my man
Gatekeeper, I am down on my knees
I need your key to free my stranger
Gatekeeper, I will knock on your door
And I don't care if you call yourself the reaper
Tick tock clock, I say bye, bye
I found a reason to be done with time
I say I love you and I'll say it more
My one and only I can't lose so
Don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do
I will be your something old, new, borrowed and blue
Don't stop doing what you do
'Cause that makes you my man
Can you understand
Hmm, that baby, you're my man?
I say I love you and I'll say it more
My one and only oh I can't lose
No, don't stop being what you be
Doing what you do, don't stop being you
No, no, no, no, no, no, don't stop
No, I can't, no, I can't lose you so
Don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do

I will be your something old, new, borrowed and blue
Don't stop doing what you do, ah
Don't stop doing what you do so
Don't stop doing what you do
'Cause that makes you my man
