

# Btk (feat. Chuck Billy)

## Exodus

[Verse 1]

Pillar of the community  
Leader in the House of the Lord  
Wichita giver of the Eucharist  
While trolling for another reward  
Factor X is underway  
The time for killing is ripe  
in the shadow of Kohoutek  
A family lies bathed in bloof  
They were the prototype[Chorus]  
Sadist and evangelist  
Perfect plan of deviant bliss  
Rapist and antagonist  
Sunken deep in his bloody abyss  
Haunting all and taunting men  
Never knowing when he'll strike again  
Psychotic hunter in orgasmic desire  
Tighten the cord, watch the life expire  
Wilt tho be mine?  
Tho shalt not scream nor yet free the line  
Think of me and how itÃ¢Â€Â™s going to be when  
I prey  
BTK[Solo Gary]  
Husband, father, killer beast  
Monster, Cruciatus Rex  
Lusus naturae  
Death synonymous with sex  
Acronym for terror  
The devil would be walking free  
Done in by a computer disc  
Demon banished by technology[Chorus]  
Sadist and evangelist  
Perfect plan of deviant bliss  
Rapist and antagonist  
Sunken deep in his bloody abyss  
Haunting all and taunting men  
Never knowing when he'll strike again  
Psychotic hunter in orgasmic desire  
Tighten the cord, watch the life expire

Wilt tho be mine?  
Tho shalt not scream nor yet free the line  
Think of me and how it's going to be when  
    I prey  
    BTK[Solo Lee]
