Dr. Carter (Acapella)

Lil' Wayne

Where's my coffee?
Good morning doctor carter (hey sweetie)
Looks like its going to be a long day. (another one what we got?)
Your first patient (yeah)
Is suffering from a lack of concept (uh-huh)
Originality (ugh)
His flow is weak (another one)
And he has no style (ugh)
What'cha got for um?OK, let me put my gloves on and my scrubs on.
Dr.carter to the rescue.
Excuse me if I'm late,
But like a thief it takes time to be this great
Ha! so just wait, your style is a disgrace,
Your rhymes are fifth place and I'm just grace.
One, uno, ace and I'm tryin' to make your heart beat like bass,
But your sweet like cake and I come to fix
Whatever you shall break.
Where is your originality?
You are so fake so picture me like a gallery.
Capture what I say.
All I need is one mic.
All I need is one take.
Like hey, brighter then the sun ray got a pistols on the playground.
Watch the gun-play like.
No kidding, no kids in the way,
But the kids do watch.
Gotta watch what we say.
Gotta work everyday.
Gotta not be cliche.
Gotta stand out like Andre 3k.
Gotta kick it kick it like the sensei.
You gotta have faith you gotta gotta wait wait
Think I think I lost 'emGood afternoon doctor carter
Nurse
I don't know about this one
His confidence is down
Vocab and metaphors needs work
And he lost respect for the game
Ah let me see

Think you can save him?OK.
Respect is in the heart.
So that's where I'm a start.
And a lot of heart patients don't make it.
Now hey kid
Plural I graduated
Cause you could get through anything if magic made it.
And that was called recycling
Or re-reciting
Something cause you just like it
So you say it just like it.
Some say its biting
But I say its enlightening
Besides, Dr. Kanye West is one of the brightest.
And Dr. Swizz can stitch your track up the tightest.
And Dr. Jeezy can fix your back up the nicest.
Arthritis in my hand from writing.
But I'm a doctor they don't understand my writing.
So I stop writing.
Now I'm like lighting.
And you ain't Vince Young so don't clash with the titans.
Fast and exciting.
My passion is frighting.
Now let me put some more vocab in your i.v.
Here take this Vicodin
Like it and love it
And confidence has no budget
So pay me no mind
I don't walk like I talk it cause I'm running
I don't do it cause I done it and I'm in the emergency unit
God damn it I've lost another oneGood evening doctor carter its been a long day
But this one looks much better then the others
His respect is back up
Concepts sound good his style is showing strong signs of improvement
All he needs now is some swagger
OK let me take my gloves off thenSwagger tighter then a yeast infection.
Fly go hard like geese erection.
Fashion patrol police detection.
I stay tight like Chinese connection.
I stay tight like pussy at night.
Baby don't get me wrong I could do that pussy right.
But I'm too wrong to write.
Too fresh to fight.
Too paid to freestyle.
Too paid to freestyle.

I had to say it twice
Swagger so nice.
And don't ask me shit unless it concern a price.
And I don't rap fast I rap slow.
Cause I mean every letter in the words in the sentence of my quotes.
Swagger just flow sweeter then honey oats.
That swagger I got it I wear it like a coat.
Wait, as I put the light down his throat.
I can only see flow.
His blood starting to flow.
His lungs starting to grow.
This one starting to show.
Strong signs of life.
Wheres the stitches here's the knife.
Smack his face his eyes open I reply what a night.
Welcome back hip hop I saved your life.He looks good
His vitals are up
He's looking good
He's looking good
I think we got one
Doctor carter I think we got one
Yup we got one
We saved him
He's good
He's good
We got one
He's good
He's good
We got 'em
He's a go
He's good
