

# Trash, Trampoline and the Party Girl

U2

I know a girl, a girl called Party, party girl  
I know she wants more than a party, party girl  
And she won't tell me her name I know a boy, a boy called Trash, trashcan  
I know he does all that he can, wham bam  
And he won't tell me his name I have a heart, a heart that's beating inside  
When I was three I thought the world revolved around me  
I was wrong, and so I sing along  
And if you dance, then dance with me I know a girl, a girl called Party, party girl  
I know she wants more than a party, party girl
