

Fed Up (Main)

[Stephen Marley](#)

Aye, she said how could you treat me this way?
What we had was more than words could say
Two times the echos of my mind
That don't know where else this love I'll find

She's fed up, she's fed up
She's fed up, she's fed up

She said our relationship is over standing
And sometimes people are just too demanding
Well, I can't help this feeling that I get
Lord, I wonder if I will regret

She's fed up, she's fed up
She's fed up, she's fed up

She said how could you treat me this way?
What we had was more than words could say
Two times the echos of my mind
And that don't know where else this love I'll find

She's fed up, she's fed up
She's fed up, she's fed up

Aye, oh, I wonder if I will regret
Lord, I wonder if I will regret
And that don't know where else this love I'll find
That don't know where else this love I'll find

She's fed up, she's fed up
She's fed up, she's fed up
