

# Can't Let You Go

## Sugar Pie DeSanto

please please don't leave.

i need you're lovin so bad.

i say you got the kind of lovin, that i never had.You thrill me soooooo baby,  
can't let you go.All the lovin you need,

i've got it right in my heart.

i say i'm hoping and i'm praying,  
that we go never apart.

You thrill me soooooo baby,

can't let you go.Now if you thinking of leaving,  
you can do it some other time.

cause if you leave me pretty baby,  
don't you know you gonna messing my mind.

ohohohoh don't leave me,

i need you're loving so bad.

i sayd you got the kind of lovin, that i never had.You thrill me soooooo baby,  
can't let you go.
