

# Weak and Shallow

## Westland

Verse 1:

You call yourself committed

But your heart's just not in it,

You never draw your lines too thick

Between your legs and your friendships.Pre Chorus:

You're weak, you're shallow

Weak and you're shallow

Weak, weak, weak... (x2)Chorus:

Stop, get your head out of the sand,

and put it back into her hands where you belong.Verse 2:

'Cause you pick and choose your feelings

And act like you're still healing,

And I'll tell you how you've got this far

You're quiet but a d\*\*\* good liar.Pre Chorus 2:

You're weak, you're shallow

(I'll fall in line just give me time)

Weak and you're shallow

(To pick my self up off the ground)

Weak, weak, weak... (x2)Chorus 2:

Stop, get your head out of the sand,

and put it back into her hands where you belong.

Just stop questioning everything you are, you are.Bridge:

Hold me near, as I wish for more.

Life's unfair in every way,

I wish you'd hear how I think.Pre Chorus 2:

You're weak, you're shallow

(I'll fall in line just give me time)

Weak and you're shallow

(To pick my self up off the ground)

Weak, weak, weak... (x2)Chorus 2:

Stop, get your head out of the sand,

and put it back into her hands where you belong.

Just stop questioning everything you are, you are.End:

You're weak, you're shallow

(I'll fall in line just give me time)

Weak and you're shallow

(To pick my self up off the ground)

Weak, weak, weak... (x2)
