Don't Get Married

Brave Combo

One thing I know for sure
I will never marry
I don't wanna find someone
To be my baby
I don't wanna find someone
To be my babyI live my life simply in a
Small one room house
I keep my things with me
There's no space for a spouse
I keep my things with me
There's no space for a spouseAll my friends think I'm sad
To live here alone
Or they think I'm crazy
That my mind must be blown
Or they think I'm crazy
That my mind must be blownWhen I get to old to take
Care of my business
Then I'll see the wisdom
Of not living so strict
Then I'll see the wisdom
Oh...yeah....
