Stars Would Fall (I'm Crazy)

Monk & Neagle

Have I told you lately how much I think about you?
The way you laugh, the way you love, the way I feel around you
The stars would fall for you.
And I would die for you.
Have I told you lately how much I dream about you?
The way you rise that's in the sun.
The way heaven wraps around you.
And I would walk the world.
To prove that I am yours.

Chorus
You're my angel, you're my green, and I will give you everything.
I'm crazy.
I'm crazy.
I've been around the world to see that you're the only girl for me.
I'm crazy.
You are crazy.

Have i told you lately how much you mean to me?
Every worth of your life is like a drop of mine.
The stars would fall for you.
And I would die for you.

Chorus
You're my angel, you're my green.
I will give you everything.
I'm crazy.
I'm crazy.
I've been around the world to see.
That you're the only girl for me.
I'm crazy.
You are crazy.

I can barely breathe without you.
Honestly I might die without you.
You're the one my heart beats to.
I'll do anything because I love you.

Chorus
You're my angel, you're my green.

I will give you everything.
I'm crazy.
I'm crazy.
I've been around the world to see.
That you're the only girl for me.
I'm crazy.
You are crazy.
I'm crazy.
I'm crazy.
