

Clip Your Wings

[Nina Persson](#)

You can go if you want to go
But I don't think that be wise
This is all you need to know
It's a darker place outside But I'd never clip your wings
Only plainly state my case You can be what you want to be
I suggest you don't wander far
I can't give no guarantee
That I'll love you as you are But I'd never clip your wings
Only hold you for a spell
No, I'd never clip your wings
Not to save you from yourself
You can go if you want to go
You can go if you want to go
You can go if you want to go
You can go if you want to go
You can go if you want to go
You can go if you want to go
You can go if you want to go
You can go if you want to go
