

# Yung Nigga (interlude)

## Yung Joc

Dat nigga might be dope though.

Naw dat ain't dope.

Dat nigga young, what is this nigga 23?

He on't even remember the "Smurfs" the "Snorks" or nothin'.

Young ass nigga, what is he rappin' about?

What the fuck is he....

what could he be talkin bout right now in 2006 that ain't nobody else talkin' bout?
