

Bonnie & Clyde (feat. Letoya Luckett)

Mike Jones

I came to you and never asked to much
Mike Jones Wondering what you would say
Hoping you'd understand it's not a role I usually play
Give me a troubled mind you know, it's you You
I can do so much for you
You, you
I want you She ride by my side
We like Bonnie and Clyde until I die 'Cause I'll never leave you, boy
And even before for the dough
Are you my heart and soul?
I love you so 'Cause I'll never leave you, boy
She ride by my side
We like Bonnie and Clyde
Until I die 'Cause I'll never leave you, boy
And even before for the dough
Are you my heart and soul?
I love you so 'Cause I'll never leave you
She my main squeeze
Another bense
She held me down 'Cause I'll never leave you, boy
Before I went to jail
She kept me living well
Sending me money and pictures She was sending me mail
She kept my game in tack
My bills she paid for that
By the time she stayed 'Cause I'll never leave you, boy
She a down chick
A roll around chick
She held me down 'Cause I'll never leave you
She ride by my side
We like Bonnie and Clyde
Until I die 'Cause I'll never leave you, boy
And even before for the dough
Are you my heart and soul?
I love you so 'Cause I'll never leave you, boy
She ride by my side
We like Bonnie and Clyde
Until I die 'Cause I'll never leave you, boy
And even before for the dough

Are you my heart and soul?
I love you so'Cause I'll never leave you
Before yo came around
She always held me down
She on me now'Cause I'll never leave you, boy
Been there through thick and thin
Before the Benjamin
More than a lover My girl was there just to be my friend
My girl was there for me
On top she cared for me
Through lockdown she stayed'Cause I'll never leave you, boy
The way she make me feel
She make me feel is real
Head over heels girl Could it be I'm falling in love?
Baby, I love you
Never place nobody above you Could it be I'm falling in love?
Baby, I love you
Never place nobody above you Now could it be I'm falling in love
Baby, in love you
Never place nobody above you Could it be I'm falling in love with you?
With you
Oh no, could it be I'm falling
I'm falling in love with you? Boy, I'll never leave, oh, no, no, no
And I'm not going nowhere
