Let's Go to Bed

The Cure

Let me take your hands I'm shaking like milk Turning, turning blue

All over the windows and the floorsFires outside in the sky

Look as perfect as cats

The two of us together again

But it's just the same, a stupid gameBut I don't care, if you don't

And I don't feel, if you don't

And I don't want it, if you don't

And I won't say it, if you won't say it firstYou think you're tired now

But wait until three

Laughing at the Christmas lights

You remember, from DecemberAll of this then back again

Another girl, another name

Stay alive, but stay the same

It's a stupid game, a stupid gameBut I don't care, if you don't

And I don't feel, if you don't

And I don't want it, if you don't

And I won't play it, if you won't play it firstYou can't even see now

So you ask me the way

You wonder if it's real

Because it couldn't be rainThrough the right doorway

And into the white room

It used to be the dust that would lay here

When I came here aloneBut I don't care, if you don't

And I don't feel, if you don't

And I don't want it, if you don't

And I won't play it, if you won't play it firstLet's go to bed

Let's go to bed

Let's go to bed
