

Harder They Come

Paul Oakenfold

Ooh?

The harder they come Maybe love is not for me
Maybe lovers dream things that I don't dream
Maybe oh, maybe Maybe you are just a little boy
Ask again you want a pride and joy
Maybe I should set you free The harder they come
The harder they fall
Baby, maybe I would rather not go there at all
The harder they come
The harder they fall
Maybe I would rather not come here at all See what comes 'round
The harder they come The harder they come
The harder they fall
Baby, maybe I would rather not go there at all
The harder they come
The harder they fall The harder they come Come here at all?
