

I'll Come to You

Pete Belasco

No no go slow lay back
I'll come to you (baby)
No no relax lay back
Im on for you (baby)

Wont stop
right here
let me
make u whole
sending quiet storm

No no go slow lay back
I'll come to you (baby)
no no relax lay back
Im on for you (baby)

Dont talk
lay down
Listen
smooth sounds
heaven
down the road
never let you go

No no go slow lay back
I'll come to you (baby)
no no relax lay back
im on for you (baby)

Let me feel
Let me tease
Let me love
Let me please

(musical interlude)

Let me feel
Let me tease
Let me love

Let me please

No no go slow lay back
I'll come to you (baby)
no no relax lay back
Im on for you (baby)

No no go slow lay back
Ill come to you (baby)
no no relax lay back
Im on for you (baby)

(musical interlude)

(baby)

(baby)

(baby)
