Poetry In Motion

Johnny Tillotson

Poetry in motion, walking by my side Her lovely locomotion keeps my eyes open wide Poetry in motion, see her gentle sway

All waves out in the ocean could never move that wayI love every movement, there's nothing I would change She doesn't need improvement, she's much too nice to rearrange

Poetry in motion, dancing close to me

A flower of devotion, a swaying gracefullyPoetry in motion, see her gentle sway

All waves out in the ocean could never move that wayI love every movement, there's nothing I would change

She doesn't need improvement, she's much too nice to rearrange

Poetry in motion, all that I adore
No number nine love potion could make me love her more
