Ultimate

Denzel Curry

If we are here not to do
What you and I wanna do
And go forever crazy with it
Why the hell are we even here?
There was never any good old days
They are today, they are tomorrow
It's a stupid thing we say
Cursing tomorrow with sorrow
When we stand here in a row
Looking like a bunch of heroes
I know that a deep inside
Nothing more but bunch of zeros
Skolko utetchki tepla
Vot takaja vot subda
Nam segodnja suzdena

A bti mezget chto kogda da-j povezet
There was never any good old days
They are today, they are tomorrow
It's a stupid thing we say
Cursing tomorrow with sorrow
Steppin' on the trail of ultimate
I would never choose to die
Give me the rest of all the secrets
Give me new culture of life
