

Long Time Woman

[Nancy Sinatra](#)

Some people run
Some people crawl
Some people don't even move at all
Some roads lead forward
Some roads lead back
Some roads are bathed in white
Some wrapped in fearful black
Time, oh time
Where did you go?
Time, oh good good time
Where did you go?
Some people never get
And some never give
Some people never die
But some never live
Some folks they treat me mean
Some treat me kind
But most folks just go their way
Don't pay me no mind
Time, oh time
Where did you go?
Time, oh good good time
Where did you go?
Sometimes I'm satisfied
Sometimes I'm not
Sometimes my face is cold
Sometimes it's hot
At sunset I laugh
But at sunrise I cry
At midnight I'm in between
And wondering why
Time, oh time
Where did you go?
Time, oh good good time
Where did you go?
