Protest and Survive

Discharge

The savage mutilation of human race,
Is the set on course
Protest and survive,
Protest and survive
It's up to us, the change the course
Protest and survive, protest and survive
Protest and survive,
Protest and survive
The savage mutilation of human race,
Is the set on course
Protest and survive,
Protest and survive
It's up to us, the change the course
Protest and survive, protest and survive
Protest and survive,
Protest and survive
