

Heart of Gold

Birdy

I can be strong
When I want to be
You think I'm weak
'Cause you can tear me apart
With the words that you speak You think you're in control
But you don't understand how much you are wrong
You choose to lash out at me,
I've done nothing wrong
All you crave is attention,
And just to be loved
You need to be loved And I want to be free
When my heart is made from gold
And forgiveness seems too bold
I still find it in my heart
To say I love you When my heart is made from gold,
And the hurt is just too bold
I still find it in my heart
To say I love you Is there not enough
To use your love for me to get past the things
That cause you envy and hate
And the fights that they bring You say you're looked on as small
Can't understand why you don't have it all
But you don't know how to fight for you
And believe in your aims
I just want to do right by you,
Forget what has changed
'Cause nothing has changed And I want to be free
When my heart is made from gold
And forgiveness seems too bold
I still find it in my heart
To say I love you When my heart is made from gold
And the hurt is just too bold
I still find it in my heart
To say I love you But you don't have to be so mean
You're such a drama queen
The way you play on every weakness
That you see in me
To make you strong
You were all along So don't pretend like you can hardly breathe

Like it's down to me
'Cause it's so unfair
That you can't succeed
Well you're so wrong
We're still so young And I want to be free
When my heart is made from gold
And forgiveness seems too bold
I still find it in my heart
To say I love you When my heart is made from gold
And the hurt is just too bold
I still find it in my heart
To say I love you
