

# Smoke

[Natalie Imbruglia](#)

My lullaby  
Hung out to dry  
What's up with that?  
It's overWhere are you, Dad?  
Mum's lookin' sad  
What's up with that?  
It's dark in hereWhy bleeding is breathing?  
You're hiding underneath the smoke in the room  
Try, bleeding is believing  
I used toMy mouth is dry  
Forgot how to cry  
What's up with that?  
You're hurting meI'm running fast  
Can't hide the past  
What's up with that?  
You're pushing meWhy bleeding is breathing?  
You're hiding underneath the smoke in the room  
Try, bleeding is believing  
I used to, I used toWhy bleeding is breathing?  
You're hiding underneath the smoke in the room  
Try, bleeding is believing  
I saw you crawling on the floorWhy bleeding is believing?  
You're hiding underneath the smoke in the room  
Try, bleeding is believing  
I saw you crawling to the doorWhy bleeding is breathing?  
You're hiding underneath the smoke in the room  
Try, bleeding is believing  
I saw you falling on the floor
