

# Labrador

Aimee Mann

Daisy, you  
Shouldnt do the things you do  
But youre just so incapable of changing.  
You lie so well.  
I could never even tell  
What were facts, in your art for rearranging.  
But I came back for more  
And you laughed in my face and you rubbed it in.  
Cause Im a Labrador  
And I run when the gun drops the dove again  
When we first met, I was glad to be your pet  
Like a Lab I once had that we called Maisey  
But fetching sticks  
Was the best I had for tricks  
You got bored, you got mad then you got crazy.  
But I came back for more  
And you laughed in my face and you rubbed it in  
Cause Im a Labrador,  
And I run when the gun drops the dove again  
Daisy, Daisy, give me your answer.  
Daisy, Daisy, do.  
Remember good old Maisey  
How she waited at the stairs for you.  
Daisy, Dear, I could almost shed a tear  
But lets shine, in the time we have remaining  
Youre a tough old gal, but a dog is just a pal  
And believe me, my dear, Im not complaining  
Cause I came back for more  
Cause I knew even you did  
The best you could.  
Im a Labrador, and its me who could see  
It was understood  
I come back for more  
Daisy, Daisy, do.  
Cause Im a Labrador.  
Yeah I come back for more.  
What a Labrador.  
Do, do, do, do, do, do, do.
