

Meds (Feat Alison Mosshart)

Placebo

I was alone, falling free
Trying my best not to forget
What happened to us
What happened to me
What happened as I let it slip I was confused by the powers that be
Forgetting names and faces
Passersby were looking at me
As if they could erase it Baby did you forget to take your meds?
Baby did you forget to take your meds?
I was alone, staring over the ledge
Trying my best not to forget
All manner of joy
All manner of glee
And our one heroic pledge How it mattered to us
How it mattered to me
And the consequences
I was confused by the birds and the bees
Forgetting if I meant it Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds? And the Sex and the drugs and the complications
And the Sex and the drugs and the complications
And the Sex and the drugs and the complications
And the Sex and the drugs and the complications
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
I was alone, falling free
Trying my best not to forget
