

# Years Gone

[Dr. Sin](#)

Please, forgive me  
I'm not the man I used to be anymore  
Please believe me  
I've been running around from town to town  
Just to settle my score  
How many times can you lose someone  
How many nights will we write a sad song  
Years gone  
Please receive me  
So many years are gone  
You don't know me anymore  
I relate to you  
I know it's  
hard to know someone  
Who has changed so much  
How many times will we close the door  
There's nothing left  
That we had before  
Hang on, don't you lose it  
Write it off  
That's the way it is  
Give up you gotta choose it  
Today or yesterday
