Say Hello, Wave Goodbye

Soft Cell

Standin' at the door
Of the Pink Flamingo
Crying in the rain
It was a kind of so so love
And I'm gonna make sure
It doesn't happen againYou and I, it had to be
The standing joke of the year
You were a sleep around
A lost and found
And not for me I fearTake your hands
Off me, please
I don't belong to you, you see
Take a look in my face
For the last time
I never knew you
You never knew me
Say hello, goodbyeSay hello and wave goodbyeWe tried to make it work
You in a cocktail skirt
And me in a suit
But it just wasn't me
You're used to wearing less
And now your life's a mess
So insecure you seemWell I put up with all the scenes
And this is one scene
That's goin' to be played my wayTake your hands
Off me
I don't belong to you, you see
Take a look in my face
For the last time
I never knew you
You never knew me
Say hello, goodbyeSay hello and wave goodbye
Say hello and wave goodbyeUnder the deep red light
I can see the make up sliding down
Well hey little girl
You will always make up
So take off that
Unbecoming frownWhat about me? Well
I'll find someone

Who's not going cheap
In the sales
A nice little house wife
Who'll give me a steady life
And won't keep going off the railsTake your hands
Off me, please
I don't belong to you, you say
And take a look in my face
For the last time
I never knew you
You never knew me
Say hello, goodbyeSay hello and wave goodbye
Say hello and wave goodbye
Say hello and wave goodbye
Wave goodbyeSay hello and wave goodbye
Say hello, wave goodbye
Goodbye
Say goodbye
Say goodbyeWe were born before the wind
Who were we to understand
We were born before the wind
Say goodbyeThrough the rain, hail, sleet and snow
Say good bye
And I'm trying, trying, trying
To say goodbye
Say goodbye
Say goodbye
Say goodbyeIn the wind and the rain my darling
Say goodbye
In the wind and the rain my darling
